SAMPLE JSON

The format and details of get IRN Details by Document Details API request is depicted in following table:

URL	As per URL list
Content-Type	Json
Method	Post

Note: As per government JSON, one can get IRN Details one at a time but we have handled it for multiple IRN in a single Json. Hence it has changed from object to an array (list). As a result, if you have only one Document Detail for which IRN details to be requested then, we request you to send data in array only with a single Document Detail.
